The report of the D.C is for perusal. He offers suggestions in the matter mentioned.

We should have defied the authority of Government and taken the law into their hands. The best course for them was to have approached the Govt. for a reconsideration of their orders. Instead of doing so, they have now the right of collecting toll thro contractors, contrary to the orders of Govt.

The Law Secty may perhaps be consulted if, under the provisions of the Tolls Act, Govt have power to compel the Circulars concerned to work the tolls departmentally, according to the orders already issued.

Sir,

Toll gate collections 1942-43 - Chitaldrug Municipality - Disposal by contract

In continuation of my report of even No dated 22nd June 1942, on the above subject, I have the honour to state that the President Town Municipal Council, Chitaldrug, has in his D O letter No H C 118/41-42 dated 25th June 1942, reported that the letter of Government (Vide No L 11284 M1 115-41-6 dated 28-5-42 from the Secretary to Government, Law Department) was placed before the Municipal Council during the budget meeting held on 2nd June 1942 when the matter was discussed in detail and it was resolved that the right to collect the toll gate fees may be disposed of by contract, on the score that this letter of Government was only recommendatory and not mandatory He has further reported that this letter was further considered by the Council, on the 7th June 1942 and it was resolved that the sale may be fixed on the 24th June 1942, and the sale was accordingly held on the 24th instant which fetched a sum of Rs 14,000/- and it was confirmed by the Council at a special meeting on the same day stating that in both the orders of Government (O M No L 6761-71-M1 131-39-3 dated 1st February 1940 and the letter dated 28th May 1942 from the Secretary to Government, Law Department referred to above), the question of working the toll gates amani has been recommended to the Municipality, that the bid of Rs 14000 now secured is more than the average realisa-

realisations during previous years and that the Municipality will save the expenditure for working the toll gates amani as also the additional work to the staff

2) In this connection I beg to state that even though orders of Government to work the toll gates amani had been communicated to the President on the 29th May 1942 from this Office, the resolutions passed at the subsequent meetings on the 2nd June 1942 and 7th June 1942 were not submitted to this Office as required under Section 24(f) of the Town Municipalities Act The fact of sale was brought to my notice only on the 21st instant through a printed notification Where upon I issued a D O letter on the next day to the President of the Municipal Council not to hold the sale without orders of Government But this letter does not seem to have been brought to the notice of the Council and the sale was also not stopped, the reason assigned by the President being that the order was communicated only by D O letter and not under the provisions of the Town Municipalities Act

3 There is no doubt that the sale has been held with a vindictiveness in defiance of the Government Order directing that the toll may be worked Amani The hurried way in which the Special Meeting has been called for on the date of sale for confirmation of the sale shows the interestedness of the unicipal Councillors in contract system in deliberately bringing about the sale contrary to the instructions of Government The contract system is no doubt a source of trouble and harassment to the public and it is more often abused I request ~~that~~ the favour of immediate instructions in the matter as the contract will commence from 1st July 1942

The connected resolutions and a copy of the D O letter of the President are forwarded herewith for kind reference

reference and immediate instructions

D O Letter No H C 118/41-42 dated 25th June 1942 from the President, Town unicipal Council, Chitaldrug, to the Deputy Commissioner, Chitaldrug District

====

I acknowledge your D O No A6-3452/41-42 dated 22nd June 1942 and have noted the contents contained therein

The copy of the letter of Government No L 11284 Ml 115-31-6 dated 28th May 1942 was received by me in the afternoon of 30-5-1942 The general meeting of the Council was held in the morning of that date and was adjourned to 2-6-42 for discussion on budget and to 7-6-1942 for discussion on other subjects as it was late for discussion of them on 30-5-42

The above said latter of Government dated 28-5-1942 was taken into consideration by the Council and the budget was passed ~~by the~~ & as resolved by the Council The Council passed the budget without allowing any expenditure for collection of tolls as it passed a resolution to lease out for 42-43 and not to work departmentally It came to that conclusion opining that the letter of Government dated 28-5-42 was recommendatory On that date owing to indisposition I did not attend the meeting and preside Then on 7-6-42 during discussion of the remaining subjects the Government letter of 28-5-1942 was further considered in resolution 2/15 Even then the Council resolved that letter was only exhortatory and that sale is to be held and fixed the date 24-6-1942, On which date the sale to take place In pursuance of that resolution the President was obliged to take further steps in bringing about the sale Hence Notifications were issued Meanwhile on the evening of 22nd of this month, I received the above said D O asking me to withhold sale and report on certain matters referred to therein To desist from sale was by mean of D O it was not an order issued under the provisions of the Municipal Act The year was drawing to a close There was no budget sanction for the ensuing year The urge of the Council was imminent In the midst of these conflicting matters I was obliged to hold the sale, the same was held and was knocked to the highest bidder Mr Koola Rangappa for Rs 14,000/- Most of the Councillors were present at the sale and have attested The

The Council met in the evening and has approved of the sale and has passed a resolution - the copy of which is separately sent It rests with the Goernment to decide at its best I would suggest that in matters of this kind the Government should pass orders in unequivocal manner so that there be no scope for comment The Presidents and others working would be spared the embarrassing situations in which they will be placed

Moreover it lies with the Council to decide the manner in which the collection is to be made There is a discretion vested in it Recently the Government has recommended the course of working by 'Amani' owing to certain discussions in the Representative Assembly

As already mentioned the sale could not be adjourned Moreover this was the second time which was advertised for s le

Now as regards the noncompliance of ~~the~~ sending the resolutions to the Deputy Commissioner the explanation of the Officer and Officials is called for Suitable disciplinary action will be taken after hearing from them Owing to my indifferent health and heavy work in Courts, I could not personally attend to it as it was routine business which the Office is expected to do

Re Toll Collections of 1942-43
===

Adverting to Government letter No L 11284/M1 115-41-6 dated 28th May 1942, approving the continuance of the Municipal Toll Collections in the Chitaldrug Town Municipality by the Departmental Agency during the year 1942-43, I have the honour to state that this subject was discussed by the Municipal Council at their meeting held on 7-6-1942 and that it was resolved that a fresh resolution is not necessary in the light of the previous resolution passed by them at their budget meeting held on 2-6-42 When the above said Government letter of 28-5-42 was brought to the notice of the Council and it was discussed It was further resolved that sale should be held on 24-6-42 and that a special meeting should be held at 6 P M that day alone Copies of these resolutions are enclosed herewith for reference

According to the resolution of the Council dated 7-6-42, a Notification fixing 24-6-42, as the date of sale of this item was issued and wide publicity was given to this notification A copy of this notification is also appended herewith

Sale was conducted by the undersigned on 24-6-42 when only four persons (as noted in the margin) came forward to take part in the auction proceedings, though there was a large gathering The highest bid offered was for Rs 14,000/- by Mr Moola Pangappa, whose bid has been accepted by the Municipal Council at their Special meeting held on 24-6-42 at 6 P M this meeting having been convened in accordance with a notice issued in this behalf on 21-6-42 to the Municipal Councillors The reasons for acceptance of the highest bid are set forth in the resolution of

Mr S B Honnappa
Mr Sanikere Channappa

with the order G O L 6761-71/M1 131-39-3 dated 1-2-1940 resolved to hold the auction of the right of collection of Toll on Vehicles for 1942-1943 The original order of Government dated 1-2-1940 is only recommendatory and even the letter of Government dated 20-5-1942 opines that Arani system is advantageous to the Municipality The sale is held to-day in consequence of the resolutions of the Council referred to above- The Council feels that the highest bid for Rs 14,000/- is in the best interest of the Municipality in view of the fact that it is far higher than the sale realisations of 1940-1941 and the net collection through Amildary for the year 1941-1942 This saves further additional work and risk to the Municipality The Council unanimously resolved to accept the highest bid of Mr Moola Rangappa for Rs 14,000/- entrusting him with the right of collecting the Toll on vehicles etc for 1942-1943
